Updates to The Encourager

You will notice on the back of this bulletin some additions to the left column. The men decided it would be a benefit to see the attendance for both services on Sundays as well as the attendance for Wednesday night Bible study.

What good is it to keep attendance? First let me emphasize why we are not keeping attendance, it is not to take pride in how many people we can get into the building. It is so we can better keep track of who has been attending with us and who has not. It does little good to keep attendance if we don't use the information. Keeping attendance is a tool we can use to help make sure we are checking on each other and encouraging one another to attend.

Another addition is the weekly contribution. Keith Malone has been keeping track of our expenses and contribution each week. With all of our expenses, the weekly budget came to \$2,400 each week to take care of the needs of this congregation.

That money is going to a number of different areas. The building is paid off which is a great blessing. However, there are still maintenance items that come up. We are supporting Patrick for the work he is doing here at West Fayette. We are also

supporting brother Carswell in Troy, Alabama for the work he is doing in that community. For a full list of what we are paying for, please see the financial report Keith puts together for us each month on the back table in the auditorium below the bulletin board.

With both of these additions, I had to make a subtraction as well. I am no longer listing the new songs that we are learning from our monthly song learning class. I want to encourage everyone who is able to come at 4pm on the second Sunday of the month to learn new songs to come. I believe this has been a great opportunity to learn new songs that we can incorporate into our song service on Sundays and Wednesdays.

On a different topic, we are very excited to announce our brother and sister Harold and Julia Fesmire have placed membership with us. Tom Hadley, Keith Malone, and I met with them and had a great conversation last Sunday morning after AM services. Please get to know as we strive together in the work of the Lord. They have a lot to offer that we all can benefit from. Thank God for all the blessings He is blessing this group with. **Ephesians 4:15-16** - *"...we are to grow up in all aspects into Him who is the head, even Christ, from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love."*
